KIX HARDWOOD - Team Gear for Individuals

The all-new Hardwood line is KIX' emphatic contribution to team basketball. Urgently anticipated by many ballplayers who share the vision of the game's most authentic brand. This Hardwood collection was created specifically "by ballers for ballers" to bring KIX' unique flavor to "organized basketball". The aim was to supply a copious selection of team gear that would deliver like The Mailman. In substance and in style.

KIX Hardwood is proud to outfit a selection of stellar teams like BG Goettingen (Germany), BBC Bayreuth (Germany), the Norwegian national teams (NBBF), Torpan Pojat Helsinki (Finland) and the German NBBL/JBBL back-to-back champions of the Urspring Academy. The Hardwood line now features: two team sets in seven colorways each, warmup suits, long- and short-sleeved shooting shirts, reversible practice jerseys, sleeveless tees, hoodies, sweatpants, socks, sweat sets, towels, coaching polos, balls and various accessories.
